1. Navigate to the Digital Promise Micro-credential Platform at https://microcredentials.digitalpromise.org :	2
2. Select “Sign In or Sign Up”	3
3. Sign In/Sign Up options	3
4. Confirm your account via email	4
5. Validate that you are logged in	5
6. Filling out your profile	6

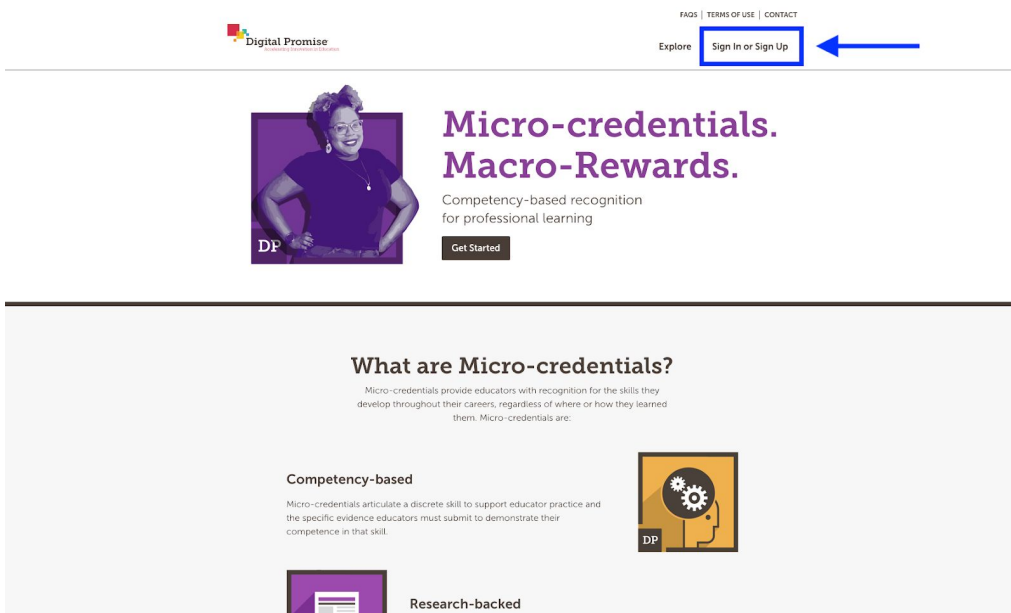

Logging into the Micro-credential Platform

1. Navigate to the Digital Promise Micro-credential Platform at <https://microcredentials.digitalpromise.org>:

(Above) The Micro-credential Platform Landing Page.

2. Select “Sign In or Sign Up”

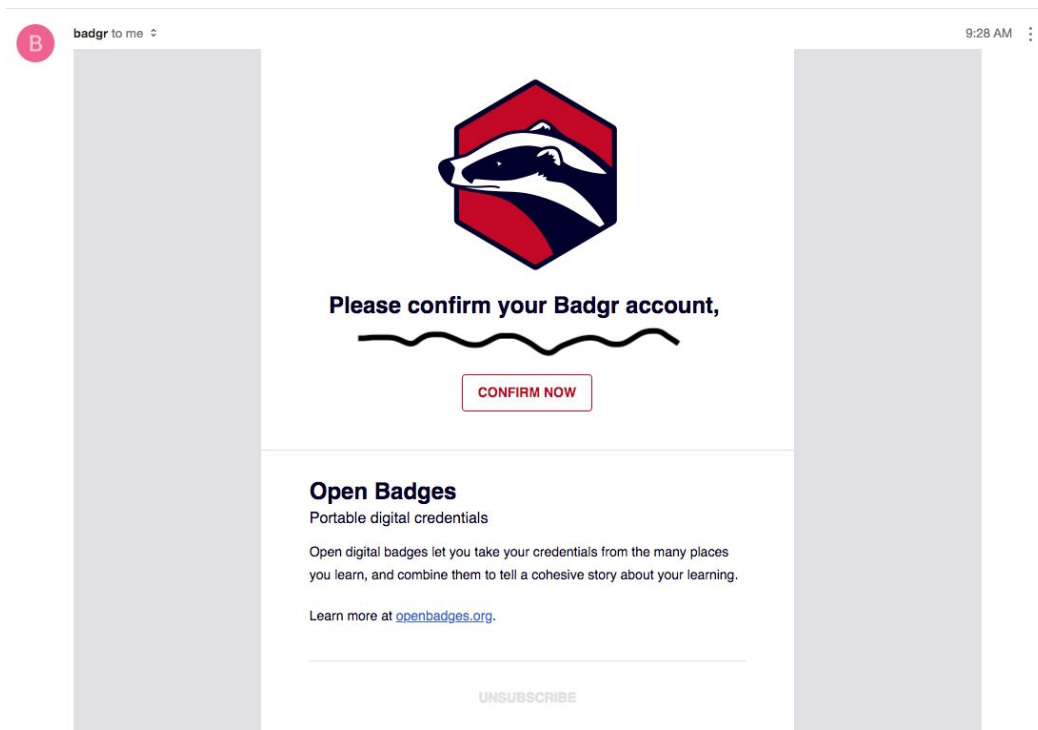

(Above) To sign in, click the “Sign In or “Sign Up” button located in the top right hand corner of the page.

3. Sign In/Sign Up options

(Above) The Micro-credential Platform allows educators to log in using a variety of methods

- **Create Account (A)**
You can create a micro-credential platform account using our native login and authentication service.
- **Single Sign on Options (B)**
You may alternatively create an account via your existing social networking and learning management systems. You must have already created an account with one of these services to leverage this option.
- **Account Log In (C)**
This option is available for any returning users who have already created an account via our native login and authentication service.

4. Confirm your account via email

(Above) Educators will receive a second email, asking them to confirm their “Badgr” account

After Successfully logging in to the micro-credential platform you must confirm your account, to do so please complete the following steps:

1. Navigate to your email client associated with the address used to log in.
2. Locate the automatically generated email sent by the Digital Promise platform. The subject line of this email will be **"Confirm Your Badgr Account"**.
 - Note: [Badgr](#) is the badging platform Digital Promise uses to award micro-credentials.
3. Confirm your account by selecting the "confirm now" button.

5. Validate that you are logged in
